Serial No.

The Church of England Zenana mission Hospl at Channapatna is in receipt of a grant-in-aid of Rs 25 per mensem - Rs 15 from State funds and Rs 10 from the funds of the Channapatna Municipality.

3 In march last, miss Billington applied for help towards the construction of new buildings to the mission Hospital at Channapatna and she was informed in this office letter no: 842 / 157-13-5 dated 21.7.14 that Govt regret their inability to sanction any grant to the Hospl from State funds but it was suggested to her that she may make an application in the matter to the munl Council of Channapatna. The Senior Surgeon has, in connection with an application from the Lady Superior of the St Martha's Hospl, Bangalore for a grant towards providing improved quarters to the Sisters employed in that institution, reported (1) that several Govt medical institutions viz district Hospitals have to be provided with additional accommodation and up-to-date appliances & (2) that maternities have to be constructed in the mahal and in the head quarters of certain maidan districts also. The Senior Surgeon is also of opinion that new buildings have to be constructed for

B.C.

The Municipal Council of Ennistymon is not in a position to make any contribution towards the building grant. There can be no doubt as to the utility of the Hospital and it is a matter for consideration by Govt whether having regard to the benefit which the local female population will receive from the Hospital in this important agricultural and trade centre Govt may give a grant. In 1906 a building grant of £2500

× was sanctioned for the Wesleyan Mission Hospital and recently Rs 5000 were sanctioned for the Maternity Hospital at Mandyadde out of the Medical Improvement Grant.

2 The Hospital authorities state that they have only Rs 7000 out of the Rs 15,000 required for the additional buildings. In other words they want a grant of Rs 8000. In the case of the Wesleyan Mission Hospital at Hyme the grant was fixed at one-fourth of the value of the building and in the present case if the Institution is deemed worthy of ~~grant~~ further concession, a building-grant of one-fourth of the cost but not exceeding Rs 4000 may be sanctioned. There is a large Mahomedan population at Channapatna

Extraordinary Member)

15 There are several district hospitals in the State requiring additional accommodations and improvements and there is also the necessity for constructing some maternities in Malnad and in certain Maidan District Head-quarters. For want of funds these have not been taken up.

16 Chennapatna is more favourably situated than other places, as persons requiring medical aid other than what is available locally, can easily resort to Bangalore or Mysore.

17 Miss Lillingston interviewed me some time back and the question was informally discussed in the Council. The Government were in full sympathy with the work of the Mission, but found they could not conveniently spare any funds for the purpose as there were other equally if not more important claims upon their Exchequer. A reply expressing regret was accordingly given.

18 The conditions have not altered since and so no reconsideration appears to be necessary.

19 In the opinion of the Senior Surgeon a new Hospital building of the size of an ordinary

Serial No.

Local Fund Dispensary will seem to answer the present requirements of the town. This will cost about Rs.8,000. If the Mission is agreeable to alter the plans to suit the present needs of the town, a contribution of Rs.1,000/- may be made from the Municipal Funds, if possible, as suggested by the Financial Secretary, the Mission having already collected Rs.7,000/- for the purpose.

25.1.15.

Dewan through 2nd Member

20 In my opinion, the mission deserves treatment at the hands of Govt. Res. Hospital, even as it is, & reported to be popular among the poorer class of Mohammedans women particularly, whose 'Purdah' system prevents them from travelling freely & frequently between Champalora & Bangalore. We may freely grant at least Rs 350/- which is half of what the mission have already at its disposal. Under the Village Improvement Scheme, we grant to the villages for which they are able & collect for the

Carrying out of such charitable work. Nam Cantonment Municipality also relieving human suffering.

A part-in aid of Rs 10000/- is by no means anything like adequate. Mr. Itself wished to build a maternity Hospital at Chamrajpet, which will have to spend a good deal more than what [illegible] more asked to contribute. The Object is laudable & deserves every encouragement.

Submitted to His Highness

Enclosure to Paper under disposal.

These papers relate to an application from Miss Lillingston, Superintendent of the Church of England Zenana Mission, for a grant towards the construction of new buildings for the Zenana Mission Hospital at Channapatna.

y

2. In July last Miss Lillingston was informed that no grant could be sanctioned for the Hospital from State Funds and she was asked to make an application to the Channapatna Municipal Council in the matter.

Paper under disposal & its Enclosure.

3. Mr. Campbell has with his D.C.letter received by me on the 16th December last, enclosed another application addressed to Her Highness the Maharani.

4. In view of the fact that the Mission propose to construct new buildings for the Hospital at an estimated cost of Rs.15,000 and that they have provided themselves with funds to the extent of Rs. 7,000, the matter was reconsidered. The Officiating Financial Secretary who was consulted is of opinion that a building grant of Rs.1,000 may be sanctioned. The Extraordinary Member also agreed with the Financial Secretary and suggested that the Mission authorities might be asked to alter the plans of the Hospital buildings to suit the present needs of the Channapatna town and thus keep down the cost. The Second Member on the contrary was of opinion that a grant of Rs.1,000 was by no means adequate and that a grant of Rs.3,500 equivalent to half the amount at

(Page 6 of office Note.

(Pages 7-9 of office Note.

Do -

B 15

the disposal of the Mission may be given in consideration of the popularity of the institution and the fact that Government will have to spend a great deal more if they wish to open a maternity of their own at Channapatna. The First Member has agreed with the Second Member. The matter was discussed in Council on the 17th February 1915 and it was resolved that a grant of Rs. 3,500 may be sanctioned.

Page 10 of Office Notes.

5. There is no doubt that there has been a certain amount of want of uniformity in making these grants. We should be cautious in granting help in such cases as each case constitutes a precedent and we have considerable difficulty in meeting the most urgent requirements of our own Medical Department. In the present instance however, some recognition of the philanthropic work of the Mission is desirable and the resolution of the Council may be approved.

6. The charge involved will be met by reappropriation of sanctioned budget grants under 20 A Sanitation and Vaccination 6 (b) Lump addition by F.D.

29
Encto
Pl 11
in Med 32-11

Dec 12. 1914

To Her Highness.
The Maha Rani C. I.

Dear Madam,

My object in venturing to write to your Highness is to ask your interest in the Medical work carried on amongst the women and children of Channapatna and ~~the~~ its District.

Few years ago the people of Channapatna asked us to begin work amongst them and for eight years we have had a Small Hospital and Dispensary by the Road Side. There lives have been saved and much suffering relieved. This year here have been over 1,45

in patients already. The present building was never intended to be more than a stepping-stone to other, better accomodation. The room in which an ovariotomy was done a month ago, is the mud-floored out-patient Consulting room. (That patient went home last week, very grateful.)

The Maternity ward is a Kucha Go-down, with walls 10 or 11 feet high and a bamboo and country tile roof: here we did a Caesarean section earlier in the year and have had several midwifery operations since.

We have bought the land adjoining, hoping to put up a really good Hospital with wards away from the out-patient Department and a Maternity

CHURCH OF ENGLAND ZENANA MISSION HOSPITAL,
BANGALORE,
S INDIA.

and Operation block.
The Mysore Government have been approached but do not see their way to helping with the necessary funds. The Yuvaraj though was very kindly sympathetic about the needs when I saw him.

We cannot now ask for money from England. Yet the need is too great to wait till the War is over. There is no where for the women of that district to go nearer than Bangalore 37 miles away. To a villdge woman that is generally an impossible journey. They come across-country to Channapatna for miles, away from the railway line.

Miss Poynder and Miss Haworth live there and gladly give their lives

to doing all they can to help those who come. As well as honorary work they give all they can from their private incomes to support the Hospital and a Home for Homeless Girls.

But for this urgently needed extension of the Hospital buildings, we find we must ask help.

Since it is entirely a work for the women and children of the Mysore State we venture to hope it is a Cause for Highness may feel appeal to You.

This week end we had a trustworthy builder to talk over plans.

He saw the Site and the Old buildings and asked what money we have and what needs are most urgent. We told him wards we must have with room for eight or ten patients. Also a separate room to be used for Operations or operative midwifery.

G.R.S. 13]

Routine Notes.

[To be used only for notes, requisitions, etc., not intended for permanent record.]

4 3

CHURCH OF ENGLAND ZENANA MISSION HOSPITAL,
BANGALORE,
S. INDIA.

Miss Pogueder who is the one in Resident medical charge feels that to see that faithful work is always done she must live in Hospital, not, as at present in the Girls Home.
As likely to cost least she proposes to have two rooms over the ward and room for her Indian nurses to sleep near her.
Yesterday a rough plan and Estimate were sent by the builder. He shows that at least Rs 15.000 is needed; of this we have nearly Rs 7.000
The work could begin in Jan.y were the money forthcoming.
No greater reward or encouragement could be given to the ladies in Channapatna than to be helped by the highest Lady in the State to do more than they now can

N.B.—Should routine notes be written on small slips, the notes must be copied, or slips pasted on this form.

To The Narasinga Rao Esq BA BL
Off. Sec. to Govt.

Sir -

I have to thank you for your action with regard to the payment of the Rs 3.500 for the Govt. grant to the new Cty. Hospital building in Channapatna.

In accordance with a letter of April 10th I am applying to the Deputy Commissioner Bangalore Dist. for this sum.

I remain Yours faithfully
Alg. Dellingston.
Med Supt.
